THIS ALIGNMENT WAS CHECKED 6,200 YRS INTO THE PAST
& 1,200 YRS INTO THE FUTURE
THIS SIGN HAS NEVER BEFORE OCCURRED IN HISTORY NOT ONCE.
THE MOON REGULARLY PASSES VIA VIRGO
BUT PASSES AT THE FEET OF VIRGO ONLY ONCE EVERY 19 YEARS
JUPITER PASSES VIA THE CONSTELLATION ONCE EVERY 12 YEARS

BUT ONLY ONCE EVERY 83 YEARS IS IT INSIDE THE WOMB FOR 42 WEEKS

THE SUN ONLY MOVES THROUGH VIRGO ONCE EVERY YEAR
IT IS RARE THE WANDERING STARS MERCURY MARS AND VENUS ALIGN
ON 9/23/17 THEY ARE IN ALIGNMENT WITH THE KING STAR REGULUS

DURING THIS 7,400 YRS, JUPITER ONLY MATCHES THE SIGN A BIT UNDER 100 TIMES
THIS SIGN IS VERY SIGNIFICANT AND TELLS US WHEN THE TRIBULATION BEGINS
THE 1260 + 1290 DAYS GIVEN US = 2550 DAYS

The Great Sign will occur at 10:30 am PDT or equivalent time of 8:30 pm Jerusalem time September 23, 2017. It has NEVER occurred before, and will never occur again. It fulfills Rev 12:1-5. It is NOT a sign pointing back to Jesus first coming.

Mark Chiswell completed an in depth analysis of the 23 September 2017 Heavenly Sign. He checked seven thousand years and found no comparable event. He checked 6,200 years into the past and 1,200 years into the future which is equivalent to Man's entire History. It has never occurred before nor will it ever again. He checked from 78 AD to 3215 AD after which he realized that Jupiter is only in the womb of Virgo for 294 days every 83 years. He then checked from the Birth of Christ to 4248 BC every 83 years checking 12 years either side just in case.

He made an excel spread sheet of these IRREFUTABLE findings which can be downloaded from his website.

Beginning of timeline September 21, 2017 to 2nd Day of Tabernacles 9/21/2024: 7 years exact.

The amazing 7 year gap between the 2017 and 2024 solar eclipses. CWe do not find such a 7 year gap between eclipses in either the last century or our present century. Why a 7 year gap now?

2018 – 1948 = 70 years from Abraham’s birth to Covenant with God.

2018 – 1948 = 70 years from Israeli Statehood to 5778./2017/2018. God confirming His Holy Covenant with the "many."

The Arizal (Hebrew text) explains that 70 years is the maximum number of years of suffering that an individual can be decreed. If we extrapolate that to a Nation we see that the Babylonian exile of the Jewish nation lasted exactly 70 years and that the year 5778 (2017-18 ce) will be the 70th year of the Israeli nation, formed in 5708 (1948 CE).

According to Hebrew history and biblical time-lines, King David was born, 2854 years after Adam. He lived 70 years. The coming year 5778 (our year 2018) is the expected year of the Messiah’s Kingdom to come and the end of the world as we know it – according to some manuscripts of Jewish origin. That means that when David was 35 Years old (half his age) the world was also exactly half its age.. i.e the midpoint of David’s life was also the midpoint of the history of this world. As well as the midpoint of the 7 year tribulation (3.5).

The amazing fall of Babylon and last days and years parallel.

60 year span in between September 22, 1957 (Israel gives up territory gained) and September 22, 2017.

September 23, 1973 Roe Vs Wade. 45 years forward to the day (inclusive) the "woman"

September 21, 1861, American Civil War begins. 9/21/1861 - 9/21/2017 = 156 years. 85 years from the nation's founding July 4, 1776. 2017 marks 241 years since the nation was founded. 2+4+1=7 = Competition. Note: If our timeline is correct and the rapture occurs on September 21, the US will again be at Civil War.

1783 to 1790 (7 years) was America's Revolutionary War period.

September 20, 1942. Wannsee Conference in Berlin. Zazi German Officials discuss the implementation of the "Final Solution to the Jewish Question." 75 years ago.

On Novemvber 20, the day Jupiter entered the womb of Virgo, year 250, Emeror Decius begins widespread persecution of Jews in Rome.
November 20, 1920, the same day Jupiter entered the womb of Virgo in 2017, the ACLU was founded leading to Roe vs Wade. 97 years ago. Which would make 2021 (tribulation midpoint on the timeline) 100 years forward from that day.

November 20, (day Jupiter entered Virgo) in year 1959, the UN adopts "Universal Children's Day." Roe Vs Wade would follow 14 years to the day later. In the Book of Proverbs the expression "the fear of the Lord" occurs 14 times. The number 14 represents deliverance or salvation. The fourteenth day of the first month is the Passover, when God delivered the firstborn of Israel from death. On the night of the 14th day of the first month, God made two covenant promises to Abraham — one of the physical seed, Isaac, and his descendants, and one of the spiritual seed, Jesus Christ, and the sons of God who would come through Him, who would shine like the stars of heaven.

On the 14th day of the first month in 30 A.D. Jesus Christ, God manifested in the flesh, the only begotten Son of God the Father, and the Lamb of God to take away the sin of the world, was crucified as the perfect sacrifice to save mankind from sin. Jesus' death on Passover completed His ministry in the flesh.

Seven represents completion - thus $7 + 7 = 14$, indicating a double completion.

Exactly 1260 days forward from the beginning of 5778 (September 21 2017) the Sun aligns itself with Aquarius (water buckets) pouring out living water to PISCIS AUSTRALIS (Southern Fish).

This model which is exclusive to HS2017, accounts for every day revealed by Daniel and Revelation.

It has been checked both backward and foreword, and at no other time whether it be months or years do the required number of days meet all the requirements for fulfillment.

Believing the 30 days had to be placed at the end of the timeline is where so many erred in determining the right timeline.

THE FIRST SIGN
Sign is in 2017.
Sign first appeared in 3914 BC
3914 - 2017 = 1897
1897 Balfour Declaration, First Zionist Congress.
3+9+1+4 = 17 (2017)
Only real difference is Saturn instead of Mars, known as Satan's planet. It also has 13 stars.
Adam created 3983 BCE
3983-3914 = 69 (Age I believe Adam was when he sinned).
There is also 69 weeks of Daniel
And the 69 weeks of Daniel came to an end when Christ was rejected by Israel.
3983 (Creation of Adam) to 2017 = 6000 years.
6000 years, history of mankind ending with the Church Age.

6000 days EXACT from Israel's rebirth, China becomes world's 5th nuclear power, October 16, 1964.

God gives Israel victory in it's 6 Day War. 7 years later, because Israel doesn't turn back to Him, God gives Israel the Ayatollah Khomeini who calls for an Islamic Republic of Iran which initiates the rebirth of the Islamic Caliphate. The "deadly wound that was healed."

Haggai and Zechariah prophesy from 520-518 B.C. encouraging the nation to rebuild the temple. 3410 (the year of Zechariah's prophecy) + 2368 = 5778
2368 years = 864,893 days (diameter of the Sun in miles). Calculated from the exact date of Zechariah's prophecy on the Hebrew Calendar.
PRETRIB ASSURANCE

Enoch, a type of the Church, and Noah and his family, a type of Israel. Enoch walked with God and (wham) he "was no more" for God took him.... PRE-FLOOD.

Joseph, a type of the Church, took a gentile Bride BEFORE the 7 year famine.

Daniel, was a type of the Church. Shadrach, Meshach and Abed-nego types of ISRAEL, go into into the 7 TIMES hotter fiery furnace, and they get saved in the MIDST of it. They meet Jesus in the MIDST of the SEVEN TIMES HOTTER furnace, and get saved out of it. Just like Israel will come to a true saving knowledge of Jesus Christ in the midst of the 7 year tribulation period.

Whereas Daniel wasn't there, but was TAKEN UP and exalted to a HIGH position, PRIOR...to the 7 times hotter fiery furnace.

The Covenant with Abraham was made in the year 2018 on the Hebrew calendar. 3,760 years later brings us to the year 5778, which is 2018 on our Gregorian calendar.

Methuselah was 969 years of age when he died in 1656, the year of the flood on the Hebrew calendar.
1656 = 6 (number of man) x 276
The number of souls saved from a shipwreck in Acts 27:37, was 276

Birth of Abraham (1948 Hebrew Calendar) to Covenant with Abraham (2018 Hebrew Calendar) was 70 years

Rebirth of Israel (1948 Gregorian Calendar) 5708 Hebrew Calendar to (2018 Gregorian Calendar) 5778 Hebrew Calendar is 70 years

Moses received the Torah at Mt Sinai in the year 2448 on the Hebrew calendar.
That was 3330 years ago
2448 + 3330 = 5778

The firstborn of Methuselah (Lamech) lived 777 years, and then he died (Gen 5:31)

666 x 5778 years = 3,848,148
3 + 848 + 148 = 999 (the number of final purification)

666 (man) is in the Hebrew year 5777 which is soon to see 888 (Jesus)

King Planet Jupiter's First 200 Days After Gestation ✔ The Beginning of Tribulation

Jupiter exits Virgo's womb on October 13 2017.
The date is 10/13/17. 10 + 13 + 17 = 40.
40 represents testing, trial, tribulation.
This exit is 20 days after the alignment of the sign.
20 is twice ten and can, at times, mean a complete or perfect waiting period.
Jupiter touches the Scales of Justice on Christmas day.
100 days after exiting Virgo it is fully inside Libra.
100 represents election. Children of the promise.
January 1, 2018 marks it's first full day inside Libra.
\[1/1/18 = 20\] again.
It remains in Libra for 150 days then exits for 80 days
8 signals a new beginning. 80 signals a perfect and complete new beginning.
Jupiter then returns to Libra where it stays for 50 days before exiting Libra.
Total days in Libra: 200 days.
Yet the number 200 represents insufficiency.
God's judgment is far from complete.
The date it finally exits Libra is 10/10. A complete and perfect number.
\[10 + 10 = 20\]. Twice ten (again). Signaling another waiting period.

The prominent numbers we have seen here are:
\[10/20/40/50/80/100/150/200\]

Mosul (Nineveh) Sign of Jonah (40 days your destruction cometh)
1914 total solar eclipse Aug 21, 1914 --1st of Elul
Beginning of WWI
Aug 21 2017- 33 days before Rev 12 sign + 7 days = Day of Atonement
The Rev 12 sign Sept 23, 2017 occurs exactly 33 days after the Aug 21 2017 solar eclipse. 33 days after
the eclipse is the sign, and 7 days later is the day of Atonement (there is your 40 days again!).

Do not underestimate the significance of and mention of certain numbers in Scripture, e.g. 5, 7, 12, 40,
49, 50, 70, 490, and so on.

7 days. God's basic timecycle, 6 days of work followed by a day of rest. Genesis 1, 2, Ex 31.

7 weeks. 49 days. The time between Feast of First Fruits, Feast of Pentecost. Deut 16, 12, Lev 23.

7 months. First 7 months of Jewish year contain all 7 feasts. Deut 16, Lev 23.

7 years. Work 6, let the land rest for 1 year (sabbath year). Lev 25.

49 years. Time between each celebration of Jubilee year every 50 years. Lev 25.

70 years. Time allotted to man, Psalm 90:10.

490 years. Period of time revealed to Daniel to the crucifixion in AD 34. Daniel 9.

Searching historical records for specific dates in Jewish history and you will discover there are two
days that had a remarkable number of significant occurrences, Tishri 1 and Nisan 15. While every other
day in Jewish history had between 3-15 notable events these two were upwards of 50.

Here are just a few events that have taken place on Tishri 1, Rosh Hashanah (New Moon and Feast of Trumpets)

Adam and Eve are created

Noah’s birthday

Sarah conceives Isaac

Isaac blesses Jacob

Rachel conceives Joseph

Joseph released from prison

Pharaoh freed Israelites from slavery

Hannah conceives Samuel

David is forgiven for Bathsheba sin

Daniel sees vision of judgment

If we apply all these events with the one time event which takes place in the heavens on Sept. 23, 2017 we have to ask the basic question. Could this all be coincidence?

Taking the meaning of each star and planet through all cultures for : Regulus, Venus, Mars, Mercury, Sun, Spica, Jupiter, and the moon the message is clear.

When we put it together we have this:

Genesis 6:3: And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years. This could represent 120 jubilee years. In Leviticus 25 a jubilee year occurs every 50 years; 120X50 = 6,000 years.

God said to Moses 'See, I have made you like God to Pharaoh' (Exodus 7:1). Moses lived 120 years; 40 years in Egypt, 40 years he served his father-in-law, and 40 years he led the Israelites through the wilderness. There were 40 jubilee years from Adam to Abraham (the age of desolation; representing Moses' 40 years of desolation in Egypt), 40 jubilee years from Abraham to Jesus (the age of instruction; representing Moses' 40 years while he was being instructed by his father-in-law), and 40 jubilee years from Jesus to His return (the age of the Messiah; representing Moses' 40 years leading the people).

Noah was also exactly 600 years old when he went into the ark and came out when he was 601. This
could be representative of the body of Christ leaving in the year 6,000 and entering the new world in the year 6001.

The three main kings of Israel reigned 40 years each (120 years); Saul 40 years, David 40 years and Solomon 40 years, again representing the 120 jubilee years and the three ages of time.

According to www.torahcalendar.com (they've calculated the lunar cycles (God's true calendar) for the last 6,000 years using advanced technology)) the year 6,000 began October 5th 2014 and ends on 15th September 2015.

Is astrology un-Biblical? NO! The Magi who found the baby Jesus were astrologers. The Bible tells us the stars were given for "signs". There is nothing sinful about astrology as long as you keep in mind that the stars are only God's creation. We are to worship and follow the Creator and NOT the created (stars or constellations themselves) as the stars have no power in themselves!

Amazingly, these mythical characters drawn in the stars centuries ago were developed in order for God to show what would happen in the last days. The TEST of this will be if it comes to pass as described—and it is.

The jubilee patterns have been observed and there is no need to go back thousands of years to try to determine when they happened or even the math to figure it out as the Creator has done it for us. All that is required is understand the scripture associated with the jubilee and then observe the patterns. General Allenby reclaimed the land for Israel taking the rein of Jerusalem away from the Ottoman Empire who reined over Jerusalem for exactly 400 years.

The world then witnessed the re-birth of Israel on the eve of Shavuot 1948 from that Declaration. June 1967 the 6 Day War, a return of land and a fulfillment of one of the requirements of a Jubilee. Since both the Balfour Declaration and Jerusalem was taken away from the Ottoman Empire in November and December we know the 50th Year of Jubilee began on Yom Kippur 1917 and ended on the eve of Yom Kippur 1918. 50 years from 1917 would be the beginning of the next 50th year of Jubilee. That 50th Year of Jubilee would have taken place from Yom Kippur 1967 to the eve of Yom Kippur 1968. June 7th, 1967 was a highly significant day. That day set off the prophetic time clock once again and literally began Daniel's 7th week as a double prophetic fulfillment of Bible Prophecy that will announce the 70th week on Yom Kippur 2015.

When the Creator's Jubilee is accounted for as a basis of confirmation, we can be sure that Yom Kippur will be the beginning of the Solar 50th Year of Jubilee September 2017. Interestingly enough, this jubilee will take place 10 days after the mid-tribulation sign in the heavens that will take place on Yom Teruah 2017. The Solar Jubilee from Yom Kippur 1967 will highlight the final 50th Year of Jubilee from 2017 to 2018. I follow the view point of Torah Calendar that believe, “the Jubilee Cycle consists of 50 Civil Years – seven Shemitah Cycles and a Jubilee Year.” This cycle makes a lot of sense from the stand point of the three Ages that point to 40 Jubilees each (2,000 years) making up 120 jubilees that would account to 6,000 years that scripturally seem to line up perfectly especially when we take Genesis 6:3 into account.

Those who hold to a 49 Year Jubilee believe that the Jubilee will begin on Yom Kippur 2015 and will end one year later in 2016. **Those who hold to a 50 Year Jubilee believe it will begin on Yom Kippur 2017 and will end in 2018.**
It is true Jesus ascension was gradual. Not as the word Harpazo (Rapture) describes in Rev 12. The words used for Jesus' Ascension were milder forms, Epairo "to be lifted up", Anabaino "to ascend", and Analambano "to take up." The word Harpazo in 1 Paul's 1 Thess 4:17 rapture reference denotes a sense of rescue. A sudden snatching away by force. Christ wasn't "rescued" at His ascension, there was no "dragon ready to devour Him." The Church "reigns" with Christ during the Millennium (rod of iron). "The sign has never appeared before, nor will it ever again. Furthermore...

It did not occur at Christ's birth-the alignment does not match.
It is 70 years from 1947 to the rebirth of Israel.
It is the 50th anniversary or year of Jubilee for Jerusalem
It is the 500th anniversary of the Reformation.
It is the 70th anniversary of the Dead Sea Scrolls.
It is the 120th jubilee from Adam.
It is the 70th jubilee since Canaan.
It is the 40th jubilee since Christ's death.
It lands on the exact same day as Feast of Trumpets - EXACTLY.
It is the 70th Jubilee since Exodus (1483 B.C).
It marks year 5777 on the Jewish calendar.
The biblical numeric meaning of 5777 is "grace (5) perfect made complete (777)"
Jupiter is in the Woman's womb the time of a human pregnancy or gestation period.
The woman represents Israel the son born THE CHURCH, the Body of Christ!
The child born is "seized by force" to the throne of God.
The word for "caught up" is the same greek word for rapture (Harpazo, to seize by force).
The Rapture must occur before the 7 year Tribulation period.
It marks the start of the tribulation.
The International Day of Peace "just happens" to be September 21, 2017.
The Theme "just happens" to be peace and safety.

And all this is just the TIP of the iceberg. This was compiled for the blessing of the saints as well as a warning to those who need Christ.

The real question is, what have we not seen? The depths of His gold mine of truth is endless. God through His creative majesty and sovereign wonders have left us no excuse to deny the overwhelming evidence He has placed before us. If our hearts take the time to look.
